Soy Candles—

100% natural wax.
 Burns longer, cleaner
 and cooler than regular
 paraffin
 candles.

Palm Candles

are 100% natural made
 with the oil from the
 palm leaf, converted to
 wax and makes an
 awesome candle. This
 wax is a little harder
 than the soy and I have
 found it burns longer.

The Lilley Pad Candles and Soaps

213 Jubilee Road
 Bridgewater, NS
 B4V 3G5

Phone: 902-543-2909

Email: joan.lilley@ns.sympatico.ca

[Http://www.thelilleypad.com/](http://www.thelilleypad.com/)

NOTE: Some scents will not be reordered when the present stock is depleted but I will be adding different scents made for soy candles to the inventory.

If you have a favourite scent, let me know and I'll check into it.
