

## How it all began!!

When I retired in April 2001, I took it easy for a year or so, and then embarked on a new adventure—The Lilley Pad Candles and Soaps.

This has been a very fulfilling and fun time for me. I love making my products and know that the people who purchase them will enjoy them.

My soy or palm wax votives, tea lights, melts and hearts are scented with quality fragrances and have an excellent burn time, provided they are burned in the proper containers.

My soaps are Melt and Pour, made with the finest ingredients and powdered Goat's milk, vegetable glycerine or soy.

The moisturizing body and hand lotion contains several natural butters and other wonderful properties.

If you have any questions or would like to place an order, please e-mail or call me at 902 543-2909.

I look forward to hearing from you!

Chunk Soaps, Votives and Pillars

## The Lilley Pad Candles and Soaps
